

Hudson River Watershed:

Source to Sink Connections

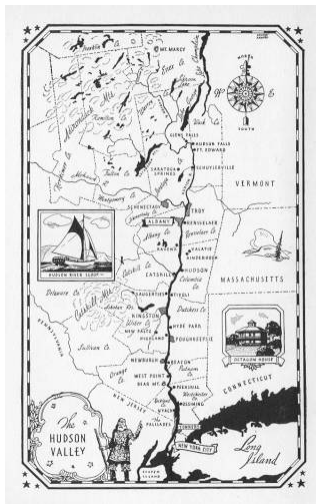

A workshop sponsored by the SUNY Conversations in the Disciplines program

Introductory slides by Karin Limburg, SUNY-ESF

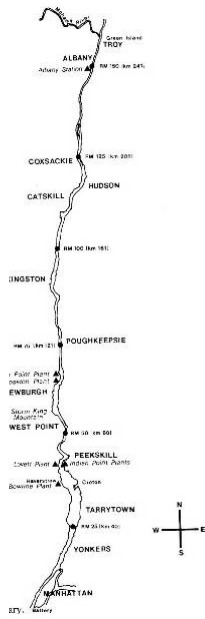

Evolution of perspective...

Carmer 1946

The Hudson River Watershed

Limburg et al. 1986

Views from the New York Water Taxi, en route to Pier 11 (at Wall Street).

Left: mid-Manhattan skyline

Right: view up the Hudson from just outside. Buildings on the right are at the Battery (southern tip of Manhattan).

Concluding the course at the Hudson River Foundation offices, Manhattan.
